

## DATA SHEET

### Wet Washing Sieves

15-D0160

#### General description

Used for wet testing of fine granular materials.

- Weight approx.: 1 kg

#### Standards

- ASTM E11

#### Products

##### 15-D0160

Wet washing sieve 8" diameter x 4" deep all stainless steel fitted with 75 micron mesh

##### 15-D0160/A

Wet washing sieve, 203 mm (8") diameter x 200 mm deep, stainless steel frame fitted with 75 micron mesh

##### 15-D0160/A1

Wet washing sieve 200 mm diameter x 200 mm deep, stainless steel frame fitted with 75 micron mesh

##### 15-D0160/1

Wet washing sieve 200 mm dia x 100 mm deep, 75 micron mesh

##### 15-D0160/2

Wet washing sieve 200 mm dia x 100 mm deep, 63 micron

##### 15-d0160/a2

Wet washing sieve 200 mm dia. x 200 mm high, stainless steel frame fitted with 63 micron mesh.
