

DATA SHEET

Glass Thermometers for General Laboratory Use

82-D1199 to 82-D1204

General description

Laboratory Thermometers

82-D1216

Products

82-D1200

Laboratory thermometer range -10 to +110°C, mercury free with alternative liquid.

82-D1201

Laboratory thermometer range 0 to +150°C, mercury free with alternative liquid.

82-D1203

Laboratory thermometer range 0 to +250°C, mercury free with alternative liquid.

82-D1204

DATA SHEET

Laboratory thermometer range 0 to +360°C, mercury free with alternative liquid.

82-D1215/1

Laboratory double scale thermometer range -35 to +50°C, mercury free with alternative liquid.

82-D1224/MF

Laboratory thermometer range -10 to +260°C, mercury free with alternative liquid

82-D3260

Laboratory igrometer range -5 to +50°C, mercury free with alternative liquid.
